Dear Parents,

It is with great pleasure that we welcome you and your child to the St John Fisher community. I would like to personally welcome all our existing families and extend a warm welcome to all the new families who will be joining us at the beginning of the academic year. We look forward to welcoming your child to St John Fisher in September.

At St John Fisher, we are passionate about providing a first-class education and will strive to ensure that our school supports your children achieve their potential. As parents, we are the primary educators of our children and we look forward to working with you in partnership, in order for children to find school a positive and rewarding experience.

We understand that beginning primary school is such an important milestone and we recognise that settling well into school makes a big difference for you and your child. In these uncertain times, we want to reassure you that we are working on ways to make this transition a happy and smooth one based on the needs of the children. This will be different from how we would normally have undertaken transitions in the past because as you know life and school life has not been 'normal' recently but rest assured, we will have the needs of your child at the forefront of our minds.

On our school webpage, you will find some important information. You will also be sent or have the chance to collect an induction pack soon. Enclosed will be various forms, which we would be grateful if you could complete as necessary and return to the school office as soon as possible.
