re work in the school office.

Mrs Smith and Mrs Clare answer the telephone, count the money and look after the class registers. These tell Mr Gallagher how many children have come to school.

When you are the helper you will be able to go to the office to take the register back to Mrs Smith and Mrs Clare.

Miss Hanson or Mrs Lam will take the register at carpet time. You say “good morning” or “good afternoon.”

This is carpet time. You have to sit still and quietly and look at the teacher.

There are lots of different things to do at school and we always have lots of fun.

We look forward to seeing you soon.

Are you looking forward to it now?
