May 3rd 2023

Dear Parents,

It is with great pleasure that we welcome you and your child to the St John Fisher community. I'd like to personally welcome all our existing families and extend a warm welcome to all the new families. We look forward to welcoming your child to St John Fisher in September.

At St John Fisher, we are passionate about providing a first-class education and will strive to ensure that our school supports your children achieve their potential. As parents we are the primary educators of our children and we look forward to working with you in partnership, in order for children to find school a positive and rewarding experience.

We understand that beginning primary school is such an important milestone and we recognise that settling well into school makes a big difference for you and your child. We want to reassure you that we are working on ways to make this transition a happy and smooth one based on the needs of the children.

Parents' evening – 23rd May 6pm

On the 23rd May, we will hold a parents' evening with information about school routines, uniform, timings and induction days. This will be held at 6 p.m. in the school hall.

At the meeting you will be given a New Induction pack containing Data and permission forms that should be completed and returned to the school preferably before your child's induction visit.

You will have the opportunity for you to talk to the EYFS team about your child and have the chance to visit the EYFS/Reception classroom. If you require a longer meeting or timeslot, please email reception@stjohnfisher-wigston.leics.sch.uk.

We have a Special Education Needs Co-ordinator. If you wish to contact him, please email psaxton@aquinas-cmat.org.

Nursery visits and phone calls

We will be contacting your child's nursery, if they attend one, to speak to them about your child and their development and progress. Please therefore complete the attached Nursery/pre-school form and return to the school as soon as possible.
