Year 5

The National Curriculum expectation is that by the end of Year 4, children are able to recall all 12 tables up to 12x12.

To secure this, we recommended that the first term of Year 5 be used to consolidate by continuing your practice.

If you find that your children are working below the structure outlined in this document, we recommend tracking back to where your children are.

Autumn Term	<p>Recall multiples of 12 in any order, including missing numbers and related division facts fluently.</p> <p>Recall multiples of all times tables up to 12x12 in any order, including missing numbers and related division facts with growing fluency.</p>
