# Welcome

On behalf of everyone here at St John Fisher CVA, WELCOME to a new and exciting stage in your child's life. During their year, your child will make new friends, enjoy new Reception experiences and learn vital new skills.

We, teachers and parents, have the chance to work as partners to ensure that at the end of this school year, your child will have a positive attitude towards their education based on social and academic confidence.

*In our school, we want to follow the example of Saint John Fisher. He was known for his holiness, his faithfulness to the Church and for his learning. He joined together learning and faith, he was known as a scholar and helped to open two colleges at Cambridge. We will do the same and work to the best of our ability for success in all our lessons, within a Catholic environment.*

## Mission statement

- **‘Follow me, I will make you fishers of men’**
- At Saint John Fisher we grow as one grateful family, in knowledge, friendship, faith and love.

# Illness

Parents are asked not to send their child to school if he/she is unwell. When children have been off school with sickness or diarrhoea parents are requested to keep them at home for 48 hours following the last attack.

Medicine in school: If your child requires regular, long-term medication such as an inhaler for asthma, then this should be discussed with the teacher and the school office. Any inhalers brought into school for use should be clearly labelled with the child's name and dosage requirements. There may be other occasions when your child needs to take medication for a short period of time but is well enough to come to school. In these instances you should contact the school to discuss your child's needs. All relevant forms are available from the school office.

# Finally...

Education is precious. A key, a passport to an enriching and successful life.

More important than the facts is the values, and we at St John Fisher are proud to promote and teach values, gospel values, which enables students of St John Fisher to become well rounded, confident young people.

A journey of a thousand miles begins with a single step. –  
**Confucius**

We look forward to working with you, as your children begin their educational journey at St. John Fisher.

Thank you for attending.

We hope that you and your children will enjoy being part of our St John Fisher family over the coming years.
