MESSAGE FROM
HEADTEACHER

Dear Parents/guardians,

Being the start of the academic year, I'd like to welcome all our existing families back and extend a warm welcome to all the new parents and children who have joined our school this term.

I will thank you in advance for the support I know you will give all members of our school community in the year ahead. I know how vital working in partnership with parents is, in order for children to find school a positive and rewarding experience. I strongly believe that school is the opportunity for children to discover and unlock gifts and talents in a fun and nurturing environment. I look forward to watching your children grow in confidence, knowledge and spirituality during their time at St John Fisher.

It was so lovely seeing all of our wonderful children coming back to school. They were so happy to be back to see their friends, to learn, to play.

A special welcome to Reception 2025-26 and also to our oldest children in Year 6 in their last year at SJF.

Thank you to all parents as well for your positivity and understanding.

God bless

Mr Gallagher

Top tips for grown-ups from Mr Gallagher

Here are a few ideas to help you prepare for what happens when you have a little one in school.

1. Prepare for the imminent administrative bombardment! School emails. PTFA emails. Newsletters, permission forms, phonics sheets: days you can go in, days they must go in dressed up, payments to be made. It is pretty overwhelming so my advice is to have a notebook ready- either paper or digital that you use purely for school stuff, and in which you can note down anything like passwords or dates that come your way.
2. Find a place at home to keep school bags and shoes. Show your little one where this is so they can take responsibility for putting their things away.
3. Make sure you have an easily accessible calendar, and that school emails are shared with any other person with guardianship responsibility for your child. When you get information about a school event, add it to the calendar there and then. Take it from me, who has learned the hard way if you read it and say, "I'll come back to that." You rarely will!
4. Name tag absolutely everything. There is definitely a school vortex. Write in permanent marker, use stampastic stamps or stickers, or sew labels. Whatever your method. It's worth the effort.
5. Don't worry about occasionally forgetting stuff. We all do it. We will all get a call from school because our child was meant to be picked up fifteen minutes ago. We will all feel that dread as we get to the school gates and see everyone with wacky hair popping coins into charity buckets, while our child has their usual ponytail and we don't have a penny on us.
Just say sorry to whoever you need to (including the kids) and crack on with your day.
6. If you want to get to know other parents or the school better, volunteer in some way. Go to a ptfa meeting, help with reading at school, or go on the school trip when they need support. It's the quickest way to get chatting to fellow parents and make friends.
7. If there is something that's bothering you, talk to the school. Teachers are always keen to support wherever they can, and the more communication they have with you, the better. You're on the same team you both want the best for the children.
8. It'll be a learning curve for you, too it's all changed since we went to school. So let your child lead the way and tell you all about it.
9. Your kids will find making friends a lot easier than you do! It is a lot harder as an adult. An opening line of "do you want to see this massive bogey?" just doesn't have the same 'life-long-buddies appeal.
10. Good luck... And not just to the kids. To you, too. It's the next phase and, yes, all the cliches are true. Goes fast. Doesn't it?

Where do my children line up in the morning?

How do I collect my child in the afternoon?

Reception: Go onto the playground and line up going into the Reception outdoor area.

Year 1 & 2: Queue outside both classroom doors staying as near to the walls as possible.

Gate leading into KS1 playground will open just before 3 p.m.

Year 3,4,5 and 6: If you could stay outside the school fence, and we will usher children to you once we get the signal from child or collector. If you are on the playground already collecting a younger sibling, we will direct your child over to you.

General Information

Admissions applications for Autumn Term 2026

Children are admitted to the school in September of the year in which they have their fifth birthday. If there is anyone who wishes to apply for a place for September 2026 (d.o.b. 01.09.2021 – 31.08.2022) please obtain an 'Expression of Interest' form from the School Office. There is also a requirement to fill in an LA form before January 15th 2025. This form can be found at www.leics.gov.uk/admissions.

Breakfast club and Afterschool clubs

Thank you to everyone for booking into Breakfast and Afterschool club. This system allows us to allocate staff and buy food in advance and is a time efficient system once it gets going for parents and the office team. Booking for days in afterschool club will be closed 24 hours in advance.

Water bottles and break time snacks

Water bottles, filled with water only, may be brought to school to use during the day. A piece of fruit is provided for every child in Reception, Year 1 and 2. Two tea biscuits or digestives can be brought for a snack at break time (no crisps or sweets).

School dinners

Please note that school dinners are priced at £3.00 per day and must be paid in advance. Also find included the school menu till the end of the half term, it may be worth looking at this with your child in advance so they have a clear idea of what is on offer and what they can look forward to eat the next day e.g. either the meat or vegetarian option.

Please select your child's meal choice in advance by logging in to your Arbor account, select the 'Quick Actions' tab, then meals and you will see the choices available.

Counselling

When children are worried or unhappy, they are less able to function well in all areas of their lives. This can impact on their learning, their relationships and on how they feel about themselves. Counselling offers children a safe space to express and think about things which are troubling them. The counsellor facilitates this, through a range of creative play, talking and listening; thinking with the child about how they make sense of and manage their difficulties and how they might do it differently. We provide a counselling service and emotional literacy support service based in school. It offers one to one therapeutic counselling for pupils, consultation and support to parents and support in enhancing the pastoral systems across the school. Request a telephone appointment with Mrs Sneath (Senior Mental health Lead) or Mrs Johnson (school counsellor) by contacting the school office if you think this is something your child may require.

Summer reading challenge

The Summer Reading challenge runs until September 6th so there is still time for your child to loan 6 books from the library to achieve their certificate. Thank you to those who have already brought theirs in. It is brilliant to see SJF leading the way for this challenge at Wigston Library.

Children can join in the fun by reading or listening to six library books, eBooks or eAudiobooks throughout the summer to collect six special stickers - including some smelly ones - for their colourful collector's poster. Participants will also be rewarded with special incentives as they read their books including a certificate and medal when they complete the challenge. Any child who receives a certificate should bring this into school and this will be counted on their merit certificate chart.

Medical Conditions and Dietary Requirements

As your child starts their new year, it is extremely important that all staff including teachers, teaching assistants and lunch time supervisors are all familiar of your child's conditions. Please can we ask that you login to Arbor and check the medical conditions and dietary requirements are up to date. We ask that you provide as much information as possible.

We are a nut free school i.e. no Nutella spreads, snickers treats, cherry bakewells etc.

Children with Epipens

If your child requires an EpiPen at school, please ensure that it is labelled with his/her name. All inhalers and epi-pens **MUST** be in school on the first day of term. Can I remind parents that although we do our best to look out for expiry dates, it is the responsibility of parents to ensure that these items are in date.

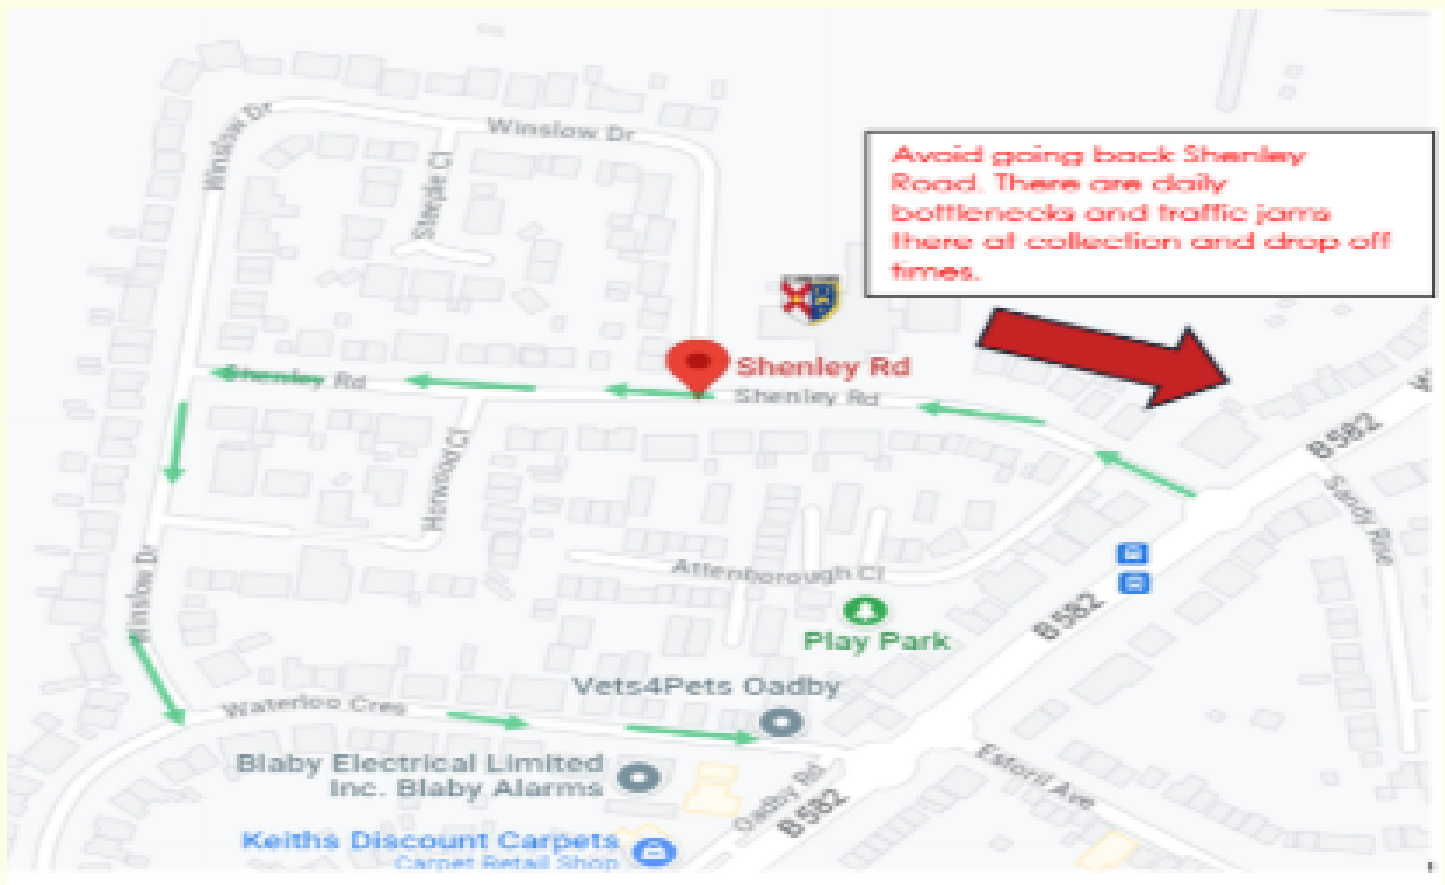

Children with Asthma

If your child requires an inhaler at school please ensure that it is labelled with his/her name. An asthma record will be sent out shortly. We have noticed some inhalers are out of date so it is important to make sure they are in date and working.

Parking & driving

Please park with due care and attention for all of our children and our neighbours. The Governors are concerned about parents parking across driveways and on the corner of Winslow Drive and will be monitoring very closely. Please do not walk through the Staff car park before or after school.

Thank you for your consideration.

CLUBS

Drama Club

Due to a successful Drama Club ran by Armadramarama the last 2 terms, we will be giving the opportunity once again to KS2 children to sign up for the club.

The club will start on 9th September and it will be held every Tuesday from 3.05 to 4.15p.m until the end of the term. Sign up will open on Tuesday 2nd September via Arbor.

Clubs

Our termly teacher clubs will be starting soon - dates to be confirmed.

Football with Chris

Football with Chris will commence on 3rd September. Please collect a sign up form from the office.

Attendance

As your child starts their new year, it is extremely important that all staff including teachers, teaching assistants and lunch time supervisors are all familiar of your child's conditions.

Please can we ask that you login to Arbor and check the medical conditions and dietary requirements are up to date.

We ask that you provide as much information as possible.

Holiday During Term Time

Please remember that government regulations do not permit headteachers to authorise holidays during term time. Any holiday taken during the school term will be recorded as an unauthorised absence.

In line with Leicestershire County Council policy, this may lead to a penalty notice (fine) being issued. These regulations are in place to ensure that all children receive the full benefit of their education without interruption.

We understand that family time is important, but we urge you to take holidays during the scheduled school breaks to avoid any disruption to your child's learning.

Thank you for your cooperation and for helping us maintain a positive and consistent learning environment for all our pupils.

The school aged immunisation service is changing the way we ask for vaccination consents

Dear parents /carers

The school-aged immunisation service, or SAIS team, has been working with NHS England to improve how vaccinations are recorded and managed in schools, to ensure vaccination data for children and young people is accurate and timely. This will also help to reduce vaccination errors and protect children and young people and improve the online consent experience for parents and carers.

Consequently, NHS England have developed a new digital platform called MAVIS: Managing Vaccinations In School. This is a new national system which will be rolled out nationally over the next few months. Leicestershire Partnership NHS Trust's (LPT) SAIS team has been one of two organisations to successfully pilot this new system, nationally.

What changes to expect from the new platform

The SAIS team will now contact you directly to request consent for vaccinations, instead of information being sent via your school. This new approach will make it quicker and easier for you to give or refuse consent for vaccinations. If consent is not received the service will allow the children or young person to self-consent if aged over 13 years and competent.

The SAIS team will request a class list from your child's school containing your child's name, date of birth, and contact information, such as phone numbers and emails addresses for parents/carers of young people who are eligible for the vaccinations. The SAIS team will then use these contact details to send consent requests and reminders directly to parents/carers.

There is more information about the [role of the SAIS team in supporting vaccinations](#) on GOV.UK.

We will be having a meeting on **Wednesday 24th September** to finalise arrangements for delivering the programme. It will be held in **St Mary's hall from 7-8pm**. We would be grateful if another four people could offer their time to join the team. If you are unsure if you could undertake this important role, do come to the meeting, or talk to Fr John or Hilari. If any of the current catechists have a preference over the week/s they would prefer to lead please, again, let Fr John or Hilari know so that we can facilitate it. I will send out the proposed programme to all those who have, so far, expressed their interest in supporting the candidates. We look forward to seeing you on the 24th.

REMINDER: If you have a child who is aged 7 years or over, and is ready to be prepared to receive **1st Holy Communion**, or aged 12 years or over, and wishes to receive **Confirmation**, please complete an application form - to be found in any of the church porches - as soon as possible. The programmes will be starting at the end of September. Forms can be handed to Hilari or Fr John.

First Holy Communion preparation: Following the desire of the Church, we are reverting to offering First Holy Communion preparation to children in Year 3, as well as Year 4, and so we urgently need **volunteers** to assist in delivering the programme either: **Tuesdays in Holy Cross School from 3.15-4.20pm OR Thursdays in St John Bosco Hall from 6-7pm**. If you think you could help, or wish to know more, please contact Hilari or Fr John as soon as possible. Thank you.

Question: "I Haven't Been to Mass in Years. Is It Too Late?"

It's Never Too Late to Come Home

No matter how long you've been away—months, years, decades—Christ waits for you. The Church isn't here to scold you. It exists to welcome you home with open arms and joyful hearts.

"There is no offense, however serious, that the Church cannot forgive."

Invitation: Come as you are. Don't wait until you feel "ready." Start by walking through the door. We'll help with the rest.
